

### APRIL 2026 FUEL SURCHARGES

The fuel surcharges imposed by shipping providers will vary from month to month, but in exceptional circumstances, they may vary during the month. If this happens, a further email will be sent with amended rates to provide notification, including the effective date of the change.

Guidance on calculating the Fuel Surcharges has been provided below (Sterling rate is on the left, Euro on the right). Each Group contains the list of routes the fuel surcharge should be applied to. In the event of new routes or changes to existing routes, the document will be amended.
